## School overview

Dundula State School is in a semi-rural environment, ideally situated only two kilometres from Mackay City gates surrounded by cane fields and the two new residential developments of Ooralea Waters and Cuttersfield Estate.

The school offers relatively small sized multi-aged classes with a population averaging just less than one hundred. Our comprehensive school curriculum covers all the key learning areas with a major focus on literacy and numeracy. We have remote wireless access throughout the school, utilise the NBN network and have a growing infrastructure to support technology use in all classrooms and across all learning areas .

Through Federal funding a new innovative library, a new administration block, staff room and a specialist room have further added to our fabulous existing facilities including the two double tennis courts, two large playing fields, basketball court, cricket pitch and two fully covered playgrounds.

Dundula school community is very supportive of our extra-curricular activities such as our sporting teams, school band and school choir. We run both reading and numeracy clubs three mornings per week and students engage in physical activity in the school's 'Smart Moves Program' three mornings per week. We have an active P & C who work hard to raise funds to help purchase resources for our children.

We model sustainability through a recycling program and keeping our own chickens who produce eggs on a daily basis. We have a 'lizard lounge' where Rango, our bearded dragon lives. The students grow their own meal worms to provide food for our lizard.

I am very pleased to present the School Annual Report 2018 for Dundula State School. The following report outlines the academic and social outcomes for the students in our school.

Dundula State School aims to provide a high quality education that assists our students to love learning, develop judgement and a sense of responsibility, understand the past and prepare to embrace the future. We equip Dundula State School students for the future to enable them to contribute to a socially, economically and culturally vibrant society.

Hence, we have positioned our school at the forefront of technology with the integration of interactive whiteboards in every classroom, wireless technology throughout the school, new and improved digital flat screens, enlarged and double spaced classroom spaces and a fabulous Resource Centre. These impressive facilities combined with a high performing teaching staff, provides a quality environment for an enriched learning program.

Our motto is to 'Play the Game' in which we strive to develop core skills and values such as Integrity, Respect, Honesty, Persistence, Tolerance and Inclusion in our students. These social values are evident in our students.

The satisfaction levels of parents, students and staff remained high with a 100% reporting that students were getting a 'good education at this school'. The school has continued our major focus on maximising the learning outcomes of all students, particularly in literacy and numeracy, using explicit instruction.

The School Coach / HO, purchase through our I4S funding, has continued to work with staff to develop teachers' competencies in teaching and children's learning. Our coach also leads the data collection and analysis at our school. This level of Professional Learning has enabled teachers to improve outcomes for students. In this report you will see the progress we have made towards the goals we set in our school operational plan and the future outlook we have for the school. This report gives a brief description of the school and is supported by the most current data from a variety of school analysis tools.

For those looking to change schools for your children, we would welcome you to our wonderful school and community. We believe that through quality practices in the areas of curriculum, interpersonal relationships and school organisation, we develop better social and academic learning outcomes. We continue to strive to make our great state school even greater.

A hard copy of this report is available on request from the school office.

## School progress towards its goals in 2018

Our school improvement priorities for 2018 were

- Attendance
- *Lower school* reading
- U2B numeracy
  
- ✓ Improvement in Numeracy – 100% of students in Year 3 are performing at or above National Minimum Standard in Numeracy. 25% of students have made a relative gain higher than that of their State Schooling Peers in Numeracy.
- ✓ The school Year 5 spelling mean scale score has improved over both the 2017-2018 and 2010-2018 intervals. 67% of Year 3 students and 82% of Year 5 students are achieving at or above the National Minimum Standard for Spelling.
- ✓ Improvement in Reading for all students – 100% of students in Year 3 are performing at or above National Minimum Standard in Reading and Grammar and Punctuation. 25% of students have made a relative gain (Year 3 - Year 5) higher than that of their State Schooling Peers in Reading.
- ✓ 33% of students achieved in the Upper Two Bands in Year 3 Writing in 2018 while 36% of students achieved in the Upper Two Bands in Year 5 Reading.
- ✓ 72% of students achieved a rating of C or better in English, Maths and Science with 61% of students achieving an A or B standard in Semester 2, 2018
- ✓ 100% of students in Year 3 are performing at or above National Minimum Standard for Writing. 33% of students have achieved a greater relative gain (Year 3 – Year 5) higher than their State Schooling Peers in Writing.
- ✓ Dundula State School students are achieving a higher Mean Scale Score percentile than the 2018 school ICSEA percentile in 9/10 areas.

To support the building of teaching capacity around the teaching of literacy and numeracy, we have continued to provide professional development to all staff members. In numeracy, we have focused on number as well as a focus on place value and problem solving.

We have continued implementing the Words Their Way Spelling Program, doing spelling inventories each term to track student progress. We have also continued to ensure the implementation of our school-wide reading approach. School and system data reflects an improvement in both spelling and reading in 2018.

We have embedded the use of ICT devices such as interactive whiteboards and flat screens in every classroom. We have also purchased class sets of Ipads and 12 additional new laptops for use across the school, meaning every child has access to an individual device in the classrooms. We have a plan to purchase more laptops in our current budget.

We enhanced Indigenous education with the introduction of new curriculum units, celebrating indigenous cultures on key dates throughout the year and embedding Aboriginal and Torres Strait Islander Perspectives into our school.

We have implemented the new Maths, English, Science, History, Geography, Civics and Citizenship through HASS, The Arts, Technology, Business and Economics and HPE programs based on the New Australian Curriculum. Our implementation of the new Digital Technology programs is running smoothly.

We have continued support of CQU graduate teacher program through accepting practicum students. Our school-wide behaviour program is now more consistent and responsive to our school needs.

## Future outlook

Our school improvement priorities for 2019 are:

-  Upper 2 Bands Numeracy
-  Lower School Reading
-  Attendance

At Dundula SS, we aspire for these attributes:

## **SUCCESSFUL LEARNINGS**

**Student Learning** – to improve academic learning outcomes for all our students in all curriculum areas as well as monitoring social emotional learning – achieving school and regional benchmarks

## **GREAT PEOPLE**

**Curriculum** – to implement the National Curriculum (English, Maths, Science, Technology, History, Geography, Civics and Citizenship, Business and Economics, The Arts and Digital Technology) implement core learning priorities of reading, writing, spelling, grammar, punctuation, number and problem solving

**Teaching Practice** – to implement high quality pedagogical practice (explicit teaching) in our curriculum and core learning priority areas. Mentor and coach to further develop teacher capacity. To provide quality professional development to meet the needs of all staff (Developing Performance Plans).

## **HIGH STANDARDS**

**School Environment** – to maintain a safe, supportive and innovative learning environment within our school – Inclusive Education, High Behaviour Expectations for all, Closing the Gap, intervention and resource provision

## **ENGAGED PARENTS**

**Parent Information** – to continue to develop strategies to ensure home / school links and inform parents of school policies, programs and activities – Web site, Facebook, newsletter, school sign, parent information sessions, and communication books.

# Our school at a glance

## School profile

<b>Coeducational or single sex</b>	Coeducational
<b>Independent public school</b>	No
<b>Year levels offered in 2018</b>	Prep Year - Year 6

### Student enrolments

Table 1: Student enrolments at this school

Enrolment category	2016	2017	2018
Total	48	59	68
Girls	24	32	39
Boys	24	27	29
Indigenous	15	15	21
Enrolment continuity (Feb. – Nov.)	89%	89%	82%

Notes:

1. Student counts are based on the Census (August) enrolment collection.
2. Indigenous refers to Aboriginal and Torres Strait Islander people of Australia.
3. [pre-Prep](#) is a kindergarten program for Aboriginal and Torres Strait Islander children, living in 35 Aboriginal and Torres Strait Islander communities, in the year before school.

In 2018, there were no students enrolled in a pre-Prep program.

## Characteristics of the student body

### Overview

- Prep to Year 6 are offered
- coeducational student body
- students are keen, cooperative and supported by caring families and staff
- our community sees literacy as vital to lifelong learning
- approximately 15% of students are transient each year
- approximately 16% of students are of Aboriginal, Torres Strait or South Sea Islander descent
- approximately 9% of students have Special Needs

### Average class sizes

Table 2: Average class size information for each phase of schooling

Phase of schooling	2016	2017	2018
Prep – Year 3	21	15	23
Year 4 – Year 6		28	24
Year 7 – Year 10			
Year 11 – Year 12			

Note:

The [class size](#) targets for composite classes are informed by the relevant year level target. Where composite classes exist across cohorts (e.g. year 3/4) the class size targets would be the lower cohort target.

## Curriculum delivery

### Our approach to curriculum delivery

*Our distinctive curriculum offerings include* English, Maths, Science, History, Geography, Civics and Citizenship (HASS) , Business and Economics, Technology, Digital Technologies, The Arts, Music and Physical Education. Languages Other Than English (LOTE) - **Chinese** is taught in Year 5 to Year 6.

*Other distinctive curriculum offerings are:*

- ✓ 'Words Their Way' Whole School Spelling Approach
- ✓ 'The 7 Steps to Writing Success' Whole School Writing Approach
- ✓ 'Step Up 2 Prep' program - every Wednesday from 1:15pm to 3pm all year round.
- ✓ Reading Club – 3 mornings per week
- ✓ Numeracy Club – 3 mornings per week
- ✓ Smart Moves Program – 3 mornings per week
- ✓ Recorder and Band Groups
- ✓ Performances
- ✓ Learning and Behaviour Support programs
- ✓ Gifted Education provision through differentiation of classroom curriculum and special events and online booster programs
- ✓ Multicultural Days
- ✓ Year Prep to 6 Swimming Program
- ✓ Whole School Camping Program

### Co-curricular activities

- ✓ Year 5 & 6 Leadership Program
- ✓ Mackay SHS Cadet Programs
- ✓ Interschool Sport and Sporting Teams
- ✓ ANZAC Day Commemorative ceremony and parade
- ✓ Bakers Creek Air Disaster Memorial Service
- ✓ Mackay Festival of the Arts – Whitsunday Voices Youth Literature Festival
- ✓ Christmas Concert
- ✓ Choirs - Choral Festival and Mackay & District Eisteddfod;
- ✓ Maths Activities: McDonalds Maths Competition
- ✓ UNSW Australian Schools Competitions (Maths, English)
- ✓ Reading – Premier's Reading Challenge
- ✓ Transition Program – end-of-year orientation with next year's teacher, High School Year 6 transition activities in preparation for High School and Kindy to Prep transition program
- ✓ Our school also participates in regular community based programs, for example, Jump Rope for Heart, The Daniel Morcombe Foundation school visits, PetPep Program, Life Education Program, Cathy Freeman 'Stomp out the Gap' Program, Colour Fun Run etc.

### How information and communication technologies are used to assist learning

All of our teaching areas from Prep to Year 6 are digitally rich with Interactive whiteboards and interactive flat screens. We have class sets of and iPads for use across the in teaching spaces, laptops and desktops for students and teachers, NBN and wireless access.

Students at Dundula State School are preparing for their future in which Information & Communication Technologies will be an integral part of career options.

ICTs including iPads are used as a tool to support teaching and learning at our school. Individual students, groups and whole classes can be seen using ICTs to:

- publish stories, reports, other writing
- access apps suitable for reinforcing literacy and numeracy skills
- develop literacy and numeracy skills using software programs, learning objects, websites
- practise typing skills
- do guided research in database programs and on the internet
- create digital art
- coding
- use software programs, such as Google Sketch up in design tasks
- develop communication skills through virtual classrooms, edStudio, wikis, blogs and discussion boards in a safe environment;
- use digital and movie cameras and related software to create movies, art works, commercials, documentaries
- design spread sheets, web pages, multimedia PowerPoint presentations

## Social climate

### Overview

#### Overview

*A warm and nurturing culture is actively encouraged in our school community with:*

**Transition Program** is in place that ensures seamless, stress-free movement through Prep-Prep to prep and through year levels and into high school;

Carefully planned and promoted school and community **events** throughout the year provide opportunities to showcase the spirit and achievements of our students at our school.

#### Strategies used at our school to address bullying:

- ✓ The school's **Responsible Behaviour Plan** is monitored regularly and reviewed annually
- ✓ Zero tolerance to bullying is enforced
- ✓ Admin and staff **model** positive, caring relationships among all stakeholders in our students' education
- ✓ Invitation to each student and parent to report bullying issues immediately
- ✓ Requirement of staff to address bullying issues immediately
- ✓ Students who have been bullied supported with advice on how to manage difficult situations
- ✓ Students displaying bullying behaviour supported to modify their behaviour and understanding of consequences
- ✓ use of a buddy chair is in place

#### School-Wide Positive Behaviour Support Program which supports our 3 School Rules:

- Be Respectful
- Be Safe
- Be Responsible

We are a PBL (Positive behaviour for Learning) school. Our staff have been extensively trained in this program.

Features of the program include signage around the school, large school entrance pencils to showcase our commitment to the program, behaviour continuum, and weekly behaviour focus on Parade, supported with 'Good Ones Awards' and an extensive reward and monitoring program.

- ✓ Students, staff, parents made aware of the stages in our behaviour Program
- ✓ Established respectful interactions between students and staff
- ✓ **Buddy System** for new students which encourages a warm welcome and comfortable transition to our school and understanding of our behaviour expectations

## Parent, student and staff satisfaction

Tables 3–5 show selected items from the Parent/Caregiver, Student and Staff School Opinion Surveys.

Table 3: Parent opinion survey

Percentage of parents/caregivers who agree# that:	2016	2017	2018
• their child is getting a good education at school (S2016)	100%	100%	88%

## Parent and community engagement

In 2018, parents/caregivers at Dundula State School are given many and varied opportunities to be involved in their child's education:

- ✓ Teacher-Parent Communication Books used as a communication tool
- ✓ Parent-teacher nights and Open nights
- ✓ Interviews - formal and informal
- ✓ Volunteering time in classrooms to assist regularly or for special events
- ✓ Cultural, special and sporting events
- ✓ P&C meetings, working bees, events, QCPCA
- ✓ Tuckshop volunteers
- ✓ Formal written reports are provided at the end of Term 2 and 4.
- ✓ Religious Instruction volunteer teachers;
- ✓ Surveys, QSR, Teaching and Learning Audit, Disciplinary Audit
- ✓ Book Fair
- ✓ Grandparents Day
- ✓ Under 8's Day
- ✓ Mother's Day and Father's Day Events

Dundula State School has a proactive Parents and Citizens Association which values the building of a sense of community at the school.

At Dundula, prospective parents who have children with learning difficulties and / or special needs are invited to visit the school and see our classes in operation in order to enable them to witness our inclusive practices

first hand. This helps the parents to see how the adjustments we make to assist students with diverse needs so that they can access and participate fully at school.

As Community Engagement formed part of our 2018 Improvement Agenda, we saw this as an aspect of our school, which will grow and which will continue to foster continued positive relationships across all stakeholders.

## Respectful relationships education programs

The school has developed and implemented programs that focus on appropriate, respectful and healthy relationships. We are at the initial stages of bringing these programs together as we work on developing our whole school well-being program, focusing on personal safety and awareness, including identifying and responding to abuse and violence and developing students' knowledge and skills to be able to resolve conflict without violence and to recognise, react and report when they, or others, are unsafe. We use the health component of the Australian Curriculum to engage with respectful relationships learning with every student.

## School disciplinary absences

Table 6: Count of incidents for students recommended for school disciplinary absences at this school

Type of school disciplinary absence	2016	2017	2018
Short suspensions – 1 to 10 days	1	0	4
Long suspensions – 11 to 20 days	0	0	0
Exclusions	0	0	0
Cancellations of enrolment	0	0	0

Note:

School disciplinary absences (SDAs) are absences enforced by a school for student conduct that is prejudicial to the good order and management of the school.

## Environmental footprint

### Reducing this school's environmental footprint

Staff are becoming more aware of the need for the school to reduce its environmental footprint. Efforts are being made to reduce electricity use by ensuring lights, fans and air conditioners are switched off when the classrooms are not in use. To reduce water consumption we have had taps and hose outlets checked for leaks and have repaired them when needed. We have had Mackay Regional Council read-outs ensuring we have no water leaks on the premises. Additional solar panels have been installed to help reduce the school's environmental footprint. Recycling has been a focus and students are seeing the benefits of recycling.

**Please note** that the substantial increase in water usage in the 2016-2017 period was due to an underground water leak which has now been repaired. As expected, the 2017-2018 water usage was significantly lower as a result of the substantial repairs carried out.

Table 7: Environmental footprint indicators for this school

Utility category	2015–2016	2016–2017	2017–2018
Electricity (kWh)	46,555	51,603	68,354
Water (kL)	192	1,062	6

Note:

Consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool\* by schools. The data provides an indication of the consumption trend in each of the utility categories which impact on this school's environmental footprint.

\*OneSchool is the department's comprehensive software suite that schools use to run safe, secure, sustainable and consistent reporting and administrative processes.

## School funding

### School income broken down by funding source

School income, reported by financial year accounting cycle using standardized national methodologies and broken down by funding source is available via the [My School](http://www.myschool.edu.au/) website at.

If you are unable to access the internet, please contact the school for a hard copy of the school's financial information.

## Our staff profile

## Workforce composition

### Staff composition, including Indigenous staff

Table 8: Workforce composition for this school

Description	Teaching staff*	Non-teaching staff	Indigenous** staff
Headcounts	5	6	<5
Full-time equivalents	4	4	<5

\*Teaching staff includes School Leaders.

\*\* *Indigenous* refers to Aboriginal and Torres Strait Islander people of Australia.

### Qualification of all teachers

Table 9: Teacher qualifications for classroom teachers and school leaders at this school

Highest level of qualification	Number of qualifications
Doctorate	0
Masters	1
Graduate Diploma etc.*	0
Bachelor degree	3
Diploma	0
Certificate	0

\*Graduate Diploma etc. includes Graduate Diploma, Bachelor Honours Degree, and Graduate Certificate.

## Professional development

### Expenditure on and teacher participation in professional development

The total funds expended on teacher professional development in 2018 were **\$18,462:00**

The major professional development initiatives are as follows:

- literacy
- numeracy
- behaviour management – PBL training
- digital technologies

The proportion of the teaching staff involved in professional development activities during 2018 was 100%

## Staff attendance and retention

### Staff attendance

Table 10: Average staff attendance for this school as percentages

Description	2016	2017	2018
Staff attendance for permanent and temporary staff and school leaders.	95%	93%	93%

### Proportion of staff retained from the previous school year

From the end of the previous school year, 73% of staff were retained by the school for the entire 2018.

# Performance of our students

## Key student outcomes

### Student attendance

The overall student attendance rate in 2018 for all Queensland state Primary schools was 92%.

Tables 11–12 show attendance rates at this school as percentages.

Table 11: Overall student attendance at this school

Description	2016	2017	2018
Overall attendance rate* for students at this school	90%	93%	88%
Attendance rate for Indigenous** students at this school	92%	91%	87%

\* Student attendance rate = the total of full-days and part-days that students attended divided by the total of all possible days for students to attend (expressed as a percentage).

\*\* *Indigenous* refers to Aboriginal and Torres Strait Islander people of Australia.

Table 12: Average student attendance rates for each year level at this school

Year level	2016	2017	2018
Prep	94%	96%	90%
Year 1	83%	89%	84%
Year 2	96%	98%	90%
Year 3	93%	92%	90%
Year 4	91%	93%	89%
Year 5	92%	95%	84%
Year 6	78%	92%	91%

Notes:

- Attendance rates effectively count attendance for every student for every day of attendance in Semester 1.
- Student attendance rate = the total of full-days and part-days that students attended divided by the total of all possible days for students to attend (expressed as a percentage).
- DW = Data withheld to ensure confidentiality.

### Student attendance distribution

Graph 1: Proportion of students by attendance rate

## Description of how this school manages non-attendance

Queensland state schools manage non-attendance in line with the Queensland Department of Education procedures: [Managing Student Absences and Enrolment and Attendance at State Schools](#); and [Roll Marking in State Schools](#), which outline processes for managing and recording student attendance and absenteeism.

Non-attendance is managed in state schools in line with the DET policies, SMS-PR-029: Managing Student Absences and SMS-PR-036: Roll Marking in State Schools, which outline processes for managing and recording student attendance and absenteeism.

- ✓ Class Rolls are electronically marked, in OneSchool, at the beginning of the day and at the commencement of the afternoon session,
- ✓ Automatic SMS messages to parents if child is not at school by 10am each day
- ✓ Attendance is reported each semester on the student Report Card
- ✓ Weekly attendance data shared at staff meetings Students at <85% attendance are placed on a school attendance plan and are monitored
- ✓ Children who are late (arrive after 9am) or who leave early (before 3pm), must be signed in/out by a parent in the school's 'arrive late / leave early register' located in the school office
- ✓ Children who arrive late (after 9am) have the time of arrival and any reason for their lateness recorded in OneSchool
- ✓ If a student is absent from school, parents are able to notify the school by written note, the office phone number, school mobile number or email.
- ✓ The school will contact parent/carers if there have been a number of unexplained or high absences reported, or a pattern of late arrivals is detected
- ✓ Home visits to encourage attendance
- ✓ A collection service is offered to parents with reluctant students
- ✓ Certificates and prizes are awarded to students with 95 to 100% attendance each term

## NAPLAN

Our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7 and 9 NAPLAN tests are available via the [My School](#) website.

Notes:

1. If you are unable to access the internet, please contact the school for a hard copy of the school's NAPLAN results.

2. The National Assessment Program – Literacy and Numeracy ([NAPLAN](#)) is an annual assessment for students in Years 3, 5, 7 and 9.

**Conclusion:**

Our mantra is that **Dundula State School** is that Dundula State School is the '*best little country school in town.*' What makes us stand out? Many things, including:

- \* An amazing and tenacious staff, with varying talents, who collectively create and provide synergy for our teaching team
- \* Many people have shared that they feel a 'sense of belonging' as soon they enter the gate
- \* An inclusive approach to education, where children with special needs are in mainstream classrooms and are achieving great things
- \* A school where everyone (staff, students and parents) take pride in our surroundings
- \* We have all the things a big school can offer yet the children are educated in a small close-knit school community where people are treated as family
- \* Above all, we are a caring school, where being respectful, being responsible, being safe and being a learner guide us each day to be the best we can be and to be proud of it.
