DUNDULA SS TERM 4 WEEK 7

Newsletter

Dear Parents and Caregivers,

Report Cards – our teachers and students are very busily working on end of year assessments, ready to inform Semester 2 achievement grades. It is essential that your child is at school every day, on time, so that these assessments aren't missed. It is very important that your child has had a good night's sleep and a nutritious breakfast to fuel their bodies and minds to perform at their best. Reports will be emailed out to parents on Dec 9th, but if anyone wants a hard copy, please see Joy in the Office and she will print you one.

Swimming Block – we are preparing once again for swimming lessons in the last week of school. This promises to be both fun and educational. Notes have been sent out with all the details. Students may wear Sun-safe swimwear to school under their school uniform to save on time getting dressed at school. These lessons will be free as costs are covered by the Government Boost (except new students in 2026). Thanks to the P&C for once again covering the cost of the buses to and from the ARC.

2027 School Leaders – our Yr 5 students have been participating in weekly sessions this term to develop their understanding of leadership in preparation for taking on this important responsibility next year. They've learnt that everyone is a leader, regardless of whether they wear a badge or not. Some students will give a speech to their peers, parents and staff to explain why they would make a good leader. School and Sport Captain positions for 2027 will be announced at the end of the Award Ceremony on Dec 1st.

Homework Centre in 2027 – we are looking for parents/grandparents interested in staffing our Homework Centre next year. This would require 1-2 hours on Tues-Thursday afternoons for 8 weeks each term. If you love working with children and are interested in a position, please see Joy in the Office for more information. Without sufficient staff, the Centre will close.

Have a fabulous week,

Mrs Jennifer Whittington
