It is hard to believe that the end of Semester One is right around the corner. It certainly has been a great 6 months at Dundula State School with a lot achieved with a great team of teachers and community members.

Just a QUICK RECAP!
Mother's Day

What a super morning it was at Dundula SS with all students employed [115 jobs in total]. We are certainly a school community that loves to get involved and the delicious morning tea could not have happened without the support of families and staff. Overall, it was a successful day, and I am already planning the 2026 Mother's Day Morning Tea.

Rock Pop

Ms Katie, Ms Sheree and their 15 Rock Poppers did a wonderful job as a TEAM and had a terrific time on stage at the MECC. Although, we didn't place in the top 3, many of our students felt that we got 4th. You will be pleased to know that Ms Katie and Ms Sheree are already planning Rock Pop 2026.

WRITING

Writing + building our capability with Sue Williamson

Our academically high English students from Year 1 – Year 6, work with Sue Williamson each Thursday. Our students love this session with Mrs Williamson and the written work that they are producing is exceptional. Sue is also building staff capability [English] and provides weekly demonstration lessons to the classroom teacher and teacher aide. You will be pleased to know that Sue is already talking about next year and entering our student written work into Whitsunday Voices.

The ARTS with Ms Katie

I love, love, love Ms Katie's room. I do enjoy sneaking in and checking out the artwork that our students from Prep-Year 6 have produced. We are truly blessed to have an authentic ART program in our school. Our program is enabling our students to work with clay, plaster, paint, paper, lino etc. Ms Katie is currently working with students on their Gallery items.

Exciting times ahead AT DUNDULA STATE SCHOOL!!!!
