Week TEN - Term One

THE WEEK THAT WAS

Outstanding Effort at the Sandy Creek Cross Country

We would like to congratulate our incredible Dundula State School students on their outstanding efforts at the Sandy Creek Cross Country last week.

While we may not have taken home many medals, we proudly won something far more important – the SPIRIT AWARD!

The Spirit Award recognises a group that demonstrates exceptional enthusiasm, positive energy, leadership, and dedication, and our students embodied all of these qualities throughout the day.

A huge well done to all Dundula State School students who attended and participated. Your encouragement of others, determination, and positive attitude truly set you apart and made our school incredibly proud.

At Dundula State School, we ARE STRIVING FOR GREATNESS!
